

Fall 2016 Service Project: Coat Drive

As colder days approach, let us help our Pack 32 Scouts help those in need of a winter coat. This fall, Pack 32 is partnering with the Livingston Coat Drive by way of collecting used winter coats for both adults and children.

Please bring any used coats that you would like to donate to the October (10/13) or November (11/17) Pack Meeting. The coats will then be distributed by the Livingston Coat drive to numerous local communities.

A Scout is Helpful.
A Scout cares about other people. He willingly volunteers to help others without expecting payment or reward.

- Please include your Scout in the process of determining what used coats you can donate.
- Have them explain to you how participating in a coat drive is a way that they can be **helpful**, the third point in the Scout Law.
- Let them come to the decision of donating a coat to help other children or adults.
- Ask if they want to check with the neighbors to see if they have any items to donate!

The Livingston Coat Drive was founded and is directed by Jeff Friedman (a.k.a. "The Coat Man")
